

Jackson County Health Department

4600 Vega Street, Pascagoula, MS

This project had multiple funding sources including a Katrina Community Development Block Grant (CDBG), Social Services Block Grant (SSBG), Health Resources and Services Administration (HRSA) Grant and Federal Emergency Management Agency (FEMA). The previous Jackson County Health Department building located on Hospital Road was heavily damaged during Hurricane Katrina. The grant funds were used to construct a new state of the art facility and purchase medical equipment and furniture.

Project completed July 2010

CDBG Award	\$3,977,000
SSBG Award	\$691,834
