

# Emergency Management Projects

FEMA Funding Received Through MEMA  
Department of Transportation

## 2016 Hazardous Material Emergency Preparedness (HMEP) Grant Grant Award: \$12,000

Year one funding will be used to produce and distribute a “Shelter in Place Video” to be distributed and used for community public education, to train schools and daycares and other community groups; and also to update the Jackson County LEPC Emergency Response Plan.

## 2016 Emergency Management Performance Grant (EMPG) Grant Projected Grant Award: \$90,424

The EMPG Program supports a comprehensive, all-hazard emergency preparedness system by building and sustaining the core capabilities by:

- Initiating or achieving a whole community approach to security and emergency management,
- Strengthening a state or community’s emergency management programs,
- Updating emergency plans,
- Designing and conducting exercises that engage the whole community and validate core capabilities and,
- Conducting training
