

County Services Complex

2915 Canty Street, Pascagoula
Community Development Block Grant

Following Hurricane Katrina, Jackson County constructed a 62,500 square foot building to house county offices providing residents convenient access to all essential county functions. This new facility was constructed to meet new wind and water load constraints and provides a safe, weather resistant storage for all of the county's vital records.

Grant Period:

July 2007 – January 2013

Estimated Grant Funds

\$12,046,982

Other Sources

\$2,581,108
