

# Bayou Cumbest Boat Launch

Moss Point  
Mississippi Tidelands Grant

Proposed to be developed in several phases this new project should take approximately three years to complete. This project will provide a recreational area and water access for Jackson County citizens in the Bayou Cumbest area. Phase I plans consist of constructing a boat launch with finger piers and a gravel parking area. Phase II proposes the construction of a gazebo with an access pier for fishing, a picnic area, paving the parking lot, and site lighting on the east side of Bayou Cumbest Road.
