

Vancleave Horse Arena

Economic Development Initiative Grant
Hwy 57, Vancleave, MS

This Special Project Grant funded by the Department of Housing and Urban Development assisted the County in making important improvements to this multi-purpose arena. The first included a new road constructed by the Jackson County Road Department. Restrooms/bath house and R.V. camper sites complete with concrete pads, picnic tables, grills, water, sewer, and power hookups were constructed under the direction of the Jackson County Recreation Department completing this project.

This multi-purpose complex hosts a variety of events throughout the year, and these enhancements will benefit the local community for years to come.
